

TTS Service Centre

The expertise in all marine applications has provided solutions to shipowners' cargo handling problems since 1965, and continues to supply shipowners and shipyards from its wide portfolio of cranes including: Cargo Cranes, Hose Handling Cranes, Service Cranes, Offshore Cranes, Rescue Boat Davits, Special loading equipment and Winch Bollard. Morssinkhof Hydraulics has been confirmed for Benelux as official "SERVICE STATION" for TTS-Marine. As a result of many years of experience in repairing -overhauling- maintenance of cranes and other applications for the marine industry we have the assignment to help TTS customers in supplying spare parts, maintenance and repairs.
